## INTRODUCING ....

# BELOW AVERAGE MARKET RENT UNITS

**Beginning in 2006**, an additional option has been available to those applying for Community Housing with the Region of Waterloo. Under this component of the Affordable Housing Program, a limited number of bachelor, one, two, three and four bedroom units are available at Below Average Market Rents.

### ***Who is eligible:***

- Applicants currently on the Region of Waterloo's Co-ordinated Access waiting list for Community Housing and current rent-geared-to-income (RGI) tenants are eligible, based on a maximum gross monthly income and/or a targeted tenant population

### ***How to apply:***

- Complete, sign and return the attached form
- Attach proof of your household's monthly income with this request form – *include documentation for all sources of income*. The required documentation for each source of income is provided on the Applicant Information Form
- Complete the Income and Assets Section of Applicant Information Form
- Select the site(s) and unit size(s) that you prefer
- Sign the Consent to Share Information

### ***What to expect after applying:***

- When selected from the waiting list, applicants will have an interview with the Property Management for the property
- When a unit is offered and accepted, your name **will be removed** from the Region's waiting list. Or, if you are a current rent-geared-to-income (RGI) tenant, you will be required to give notice of your intention to vacate to your current landlord
- If a unit is not offered, or it is offered and refused, your name **will remain** on the Region's waiting list for other housing sites. If you are a current tenant, your rent-geared-to-income (RGI) tenancy will continue
